

## **Internal Medicine – Memorial Advanced Cardiovascular Institute**

Memorial Health System in South Bend, Indiana is a fully integrated health care provider deeply rooted in the northern Indiana/southern Michigan region, as evidenced by over 100 years of service to the nearly one million residents who choose to make it their home. Memorial Medical Group, a 100+ and growing multi-specialty group of Memorial Health System is one of any facets of this expanding organization. Part of our continued growth includes the recruitment of a Board Certified **Internal Medicine Physician** for our Memorial Advanced Cardiovascular Institute.

This Internal Medicine opportunity offers an exceptional quality of life and terrific benefits, including paid malpractice including tail insurance. Memorial Advanced Cardiovascular Institute currently offers seven providers, specializing in: Interventional Cardiology, Cardiovascular Disease, Electrophysiology, and Non-invasive Cardiology. This clinic is located in downtown South Bend, adjacent to Memorial Hospital.

The greater South Bend metro area is a remarkable region of 170,000 residents that provides a highly diverse setting from cultural, recreational, educational, college level sports, residential, and retail perspectives. South Bend truly offers the best all of options with the comfort and appeal of a collegiate community that is located only 90 minutes from one of the most exciting metropolitan cities in the world (Chicago), with access readily available via Interstate 80/90. For those who prefer to ride rather than drive, commuter train service is available at South Bend Regional Airport with stops throughout northern Indiana and ending at Michigan Avenue in downtown Chicago. Direct flights are available to Atlanta, Chicago/O’Hare, Cincinnati, Clearwater, Cleveland, Detroit, Las Vegas, New York, and Orlando.
