

Urology

Memorial Medical Group, a growing multi-specialty group practice owned by Memorial Health System in South Bend, Indiana, is seeking a **BE/BC Urologist**. We are in the midst of significant growth in many areas of medicine. Our technological advances provide an exceptional setting for a Urologist. We are those candidates interested in developing a new service line for Memorial and assisting in further physician recruitment.

Memorial's innovation in recent years has included a \$90 million surgical suite replacement project, a new Regional Cancer Center, and the expansion of Memorial Children's Hospital. We are very proud of our accomplishments made thus far in attracting a number of quality physicians and sub-specialists to our community and invite you to explore all we have to offer.

Memorial Hospital, a 526-bed Level II Trauma Center and a 36-bed Level III NICU, has a 10-bed PICU, 20 general pediatric beds, and an eight-bed pediatric hematology/oncology unit. Memorial's new surgical department includes 22 ORs, 27 recovery rooms, and 15 pre-surgery beds providing the latest in surgical advances such as Green Lighting, laminar flow, and 350° turning radius surgical booms and Sky Vision technology, as well as increased efficiency and safety initiatives. In addition, access to Memorials' da Vinci® robotic system and training is available for those interested in incorporating it into their practice. We also have a fully implemented electronic medical record to streamline the charting process.

Memorial Health System is fortunate to partner with The University of Notre Dame and Indiana University School of Medicine in the training of its medical students. The ability to have academic involvement is available, as is participation in clinical research.

The greater South Bend metro area is a remarkable region of 170,000 residents that provides a highly diverse setting from cultural, recreational, educational, college level sports, residential, and retail perspectives. South Bend truly offers the best all of options with the comfort and appeal of a collegiate community that is located only 90 minutes from Chicago, with access readily available via Interstate 80/90 or, if you prefer, commuter train service is available at South Bend Regional Airport with stops throughout northern Indiana and ending at Millennium Station in downtown Chicago. South Bend also offers direct flights to Atlanta, Chicago/O'Hare, Cleveland, Detroit and Minneapolis. Allegiant Air has nonstop flights to Las Vegas, Orlando/Sanford, St Petersburg, FL and Phoenix/Mesa.
