

TAMMIE ERDELAC, FNP

Family Nurse Practitioner

Tammie Erdelac, FNP, is a family nurse practitioner who has considerable experience across multiple departments. Erdelac has worked five years as a family nurse practitioner, three years as a pediatric ICU nurse and five years as an emergency department nurse. As a family nurse practitioner, Erdelac prescribes treatments, evaluates treatment plans, provides patient education and performs minor procedures. She received her nursing degree from Valparaiso University and completed a Family Nurse Practitioner Master's Degree at University of Missouri St. Louis.
