

# NAN MONHAUT, MSN, APRN-BC

*Hospitalist Clinical Coordinator*

Nan Monhaut MSN, APRN-BC, received her bachelors of science degree from the University of Evansville. She also received a master's degree in Education and her MSN in Primary Care Nursing from Indiana University. She previously served Memorial as Program Director for Diabetes Education, as a clinical nurse in the Emergency Department, and as faculty in Nursing Education. In her spare time, Nan and her husband enjoy spending time with their adult children, cycling, golf and other outdoor activities.
