

# JOSEPH SCHNITTKER, M.D.

## Neurosurgery

Dr. Schnittker received his undergraduate training in Kingston, Ontario, Canada, graduating with honors from Queen's University. After earning his medical degree from Queen's University Medical School, he served a mixed internship at St. Mary's Hospital for McGill University, a residency in neurosurgical training at the University of Calgary, and a pediatric neurosurgical fellowship at Alberta Children's Hospital. Board certified by the American Board of Neurological Surgery, he has taken a leadership role in academic, hospital and emergency medical settings, serving as Assistant Professor and Clinical Assistant Professor for the Department of Surgery at McMaster University; Trauma Team Executive, Trauma Team Leader and Director of the Spinal Cord Injury Team for Hamilton General Hospital.

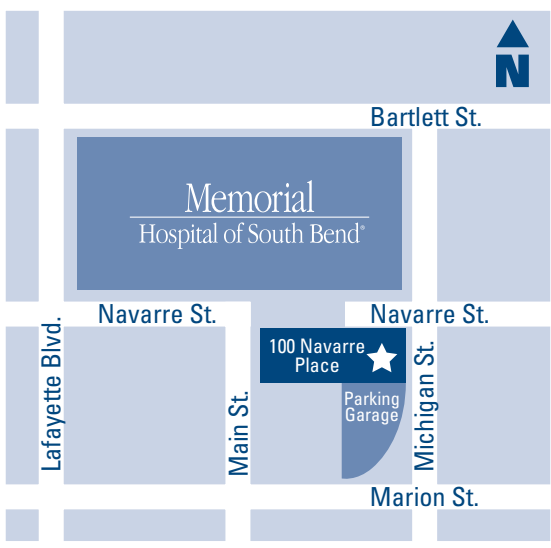

An active member of the Canadian Congress of Neurological Sciences, the Congress of Neurological Surgeons, the American Medical Association and the Indiana State Medical Association, Dr. Schnittker is also a Fellow for the Royal College of Physicians and Surgeons of Canada, and served as Chair of the Section of Neurosurgery for the Ontario Medical Association.
