

ERIC P. WOHLRAB, MD, MPH, MS, FACOEM

***Occupational and Environmental Medicine
Aviation Medicine Specialist***

Dr. Wohlrab received his medical degree from Chicago Medical School, and later earned a master's degree in public health from Johns Hopkins University. He is board-certified in occupational and environmental medicine, and his additional credentials include a master's degree in strategic studies from the National Defense University in Washington, D.C.

Dr. Wohlrab brings 25 years of occupational health experience to his role as director of Memorial's comprehensive occupational medicine program. A retired Air Force colonel, he served his country in various capacities, from a squadron flight surgeon in Arizona to Medical Director and Chief Executive Officer of occupational and aerospace medicine services in the United States, Europe and Asia.
