

ROBERT YOUNT, M.D.

Neurosurgery

Dr. Yount received his medical degree from Indiana University School of Medicine and completed his residency in neurological surgery at the Indiana University School of Medicine. He also earned a Ph.D. in biophysics from Indiana University School of Medicine.

Board certified by the American Board of Neurological Surgery, Dr. Yount has shared this expertise with other physicians via presentations and publications in the United States and Canada. His most recent lecture examined deep brain stimulation as it relates to the treatment of Parkinson's disease.

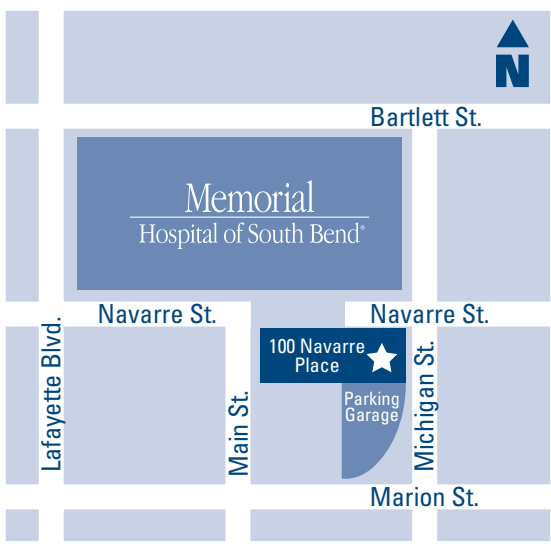

Board certified by the American Board of Neurological Surgery in 1991, he continues to expand his capabilities with further training. "Surgical Management of Movement Disorders," "Advanced Trauma Life Support," "Stereotactic Radiosurgery," and "Minimal Access Spinal Technologies" are among the many courses he has completed.
